

# WINTER CAMP AND DISTRICT CAMP 2010

helios-esu.org.uk

The first two Explorer Scout events for 2010 have been confirmed, and the initial info is below. For full information as and when it is available don't forget to check the website.

To keep costs low, as both are fairly close there will be no minibus, so you'll have to make your own way there and back. We would therefore recommend that you organise car-sharing. If transport or cost is a problem for anyone the please speak to me and I'll see what I can organise.

To book your place, please fill in the form at the bottom and bring it back with the deposit as soon as possible.

## WINTER CAMP

You asked for it at the planning meeting so you've got it – a winter camp (well, almost, by one day!) with climbing including. I am also trying to get hold of a slackline, and possibly something else. The rest of the time will just be chilling out.

It will be held at Bradley Wood Campsite, Huddersfield and the cost will be £20

## DISTRICT CAMP

To celebrate 100 years of Chesterfield District, they are organising a camp for all Groups and Units, at Walesby Forest, Nottinghamshire. The overall cost will be £25. The activities are yet to be confirmed, but should include a bucking bronco and some bouncy castles, plus other activities organised by the various Groups and Units taking part.
